Dr Craythorne is Lead of the Specialist Skin Cancer Multi-Disciplinary Team.

ABOUT: DR. EMMA CRAYTHORNE

- Key Opinion Leader for SkinCeuticals, L'Oréal
- Private practice at 152 Harley Street
- Bespoke, highly functional space for treating patients with complex procedural dermatology needs and for those requiring Mohs Micrographic surgery.

"SkinCeuticals works in the way TO PREVENT, PROTECT and CORRECT. This resonates really strongly with me because this is what I always wanted to do with most of my patients."
